What is TRMP?

The Rock Ministries Program, Inc. is a communal living organization located in West Virginia that offers men a group home setting while they begin to overcome substance abuse. The sober homes operated by The Rock Ministries Program solely exist to help men in West Virginia continue their journeys of sobriety with the adequate support and services to implement the life stability needed for continual substance abuse recovery. The residents of The Rock House and Genesis House are men that have made the decision to overcome an addiction, are starting their lives over after incarceration due to criminal behaviors related to drugs and/or alcohol or have recently completed a certified substance abuse program. The Rock Ministries Program provides an affordable home that is drug and alcohol free so residents can fully engage in their sobriety. The Rock Ministries Program offers its residents accountability, drug testing, peer awareness, peer support from other residents, and supplementary support to local addiction recovery, alcoholics anonymous, narcotics anonymous, drug court and probation programs. We do not offer any medical services, but do have an established relationship with a physician who we will refer residents to, or they can choose to see a physician of their choosing. The Rock Ministries Program will also refer residents to any other appropriate community service agency to address their specific need (e.g., medical, financial, psychological, education, job related, and/or recovery related needs).

What is the cost of TRMP?

The focus of TRMP is to assist men in becoming socially responsible after a life of addiction, incarceration and/or irresponsibility. Therefore, we require each resident to pay his own way while living in our facilities and receiving our program support. Residents pay a non-refundable Program Initiation Fee of \$300.00 once deemed eligible for TRMP. While living at TRMP facility, each resident must pay a weekly Program Fee of \$125.00. The weekly Program Fee covers the cost of the residents living quarters, utilities, program services, in-house activities, and basic food needs. The weekly Program Fee is due in advance and can be paid weekly, bi-weekly or monthly. In special situations, the Executive Director of TRMP may consider implementing a different payment plan for a resident. These situations are reviewed on a case-by-case basis. TRMP does not assist in the entitlement view that accompanies addictive lifestyles and reserves the right to assess each participant's financial needs, obligations and abilities at any time.

NOTE: There maybe additional fuel charges

What are the eligibility requirements of TRMP?

All residents must be eighteen years or older, committed to a life of sobriety, be drug/alcohol free, have completed a minimum of 3-5 days of detox, not have any current warrants and/or capiases and must be willing to abide by TRMP regulations and requirements.

The Rock Ministries Program is unable to provide residency to sex offenders.

What is the process to begin participation with TRMP?

The process begins with completing and submitting an application. Applicants will be required to complete a telephone interview with a staff member. Once the applicant is approved, he will meet individually with TRMP Executive Director or a staff member to review the detailed rules and regulations of the program which include, but are not limited to, house rules, curfews, meeting requirements, work/community service requirements, drug testing requirements, etc. The Applicant will then sign all the necessary contracts and pay required costs as decided by the Executive Director. The Applicant now becomes a resident of TRMP and begins a new sober life.

******TRMP has an ongoing relationship with the local Department of Corrections, Parole/Probation, and Drug Court. Please be aware of our cooperation with these programs if your admission to our homes will be governed by one of these agencies******
